

Ripon Veterinary Hospital

“ _____ ” is scheduled for surgery (_____) on _____ at _____ am.

Please read the instructions below.

●It is very important to fast your pet from food 8-12 hours prior to surgery appointment, water is ok.

(Please make sure small breed dogs go no more than 8 hours).

●Your pet may be boarded the night prior to surgery at no extra charge to you, please let us know if you need to do so.

●Our Doctors recommend a pre-anesthetic blood profile prior to anesthesia. If you choose to decline this recommendation, you must sign indicating your decision on the form. It is required on any pet over the age of 7 years old, you may not decline blood work on pets over the age of 7.

●If your pet is being neutered or having a dental they will be ready to go home between 4-5:15pm, the same day. Please call and check on your pet after 2pm.

●If your pet is being spayed she will need to stay overnight (at no additional charge). She will be able to go home the next day anytime between 9:00am and 5:15pm.

If you have any questions or concerns please call.
